note: product references with suffix '2' denote low arm version

The classic Hitch Mylius sofa: a modular seating system comprising chair, two- and three-seat sofas, with and without arms - the simplest of designs, beautifully proportioned and offering great comfort for corporate and residential environments. All permutations are available with the option of low or high arms.

Solid beech frames incorporating sprung seat, upholstered in high-density CMHR foams with a polyester wrap. Legs are of stainless steel; table tops are veneered in walnut. Seat height 400mm

modular seating system with
endless possibilities using
the corner seat **hm18q**

yoko cushions **hm18x** available
as an optional extra - shown
